Pedigree Foundation Invests In Lifesaving Work of the Ma, Paws, & Me Pet Rescue

Grant of \$1,050 will extend efforts to save more animal lives in the local Watertown area.

Watertown, WI, December 12, 2018 – Ma, Paws, & Me Pet Rescue, Watertown, WI, is proud to announce that on **November 28, 2018** they were awarded a \$1,050.00 grant from the Pedigree Foundation to support its goal of helping homeless animals find loving homes.

Ma, Paws, & Me Pet Rescue is a nonprofit organization whose mission, since September 2017, is to the commitment of rescuing while reducing the number of homeless animals in need, regardless of breed, age, or disability, and responsibly placing them in permanent and loving homes. From September thru December 2017, we had cared for 89 dogs.

With this very generous grant, we can continue to keep providing a safe place for so many lost, unwanted and neglected animals. It is definitely a humbling experience to know an organization like Pedigree Foundation who is willing to support us. Everyone involved with the rescue and all of our animals are grateful for the Pedigree Foundation and everything we have accomplished for our rescue. This additional funding will allow us to help even more dogs in “2019”. Jen Blossom-Executive Director.
